Sandy Springs High School
Sandy Springs, Georgia

As a jet leaves a vapor trail, a year leaves a memory. As these misty paths fade, memories also become dim. Vapor trails, created in the idealistic height of our youth, gain in magnitude and intensity when remembered. In the 1961 CONCOLOR, we, the annual staff, have endeavored, in pictures and words, to preserve these vapor trails forever.

Dear Seniors,

Just as vapor trails show where a plane has been and in which direction it is headed, your record with us does the same.

By these tokens, the faculty and I have no major fears for you. As we have been concerned with the best for you, we will be concerned with the best from you. The reputation of Sandy Springs High lies in your hands.

We wish success and happiness for all of you.

Sincerely,

Edward G. Zachert
